[Firefox Set To Ban Fingerprinters](#)

Does your browser protect from fingerprinting ?	X your browser has a unique fingerprint
--	---

Note: because tracking techniques are complex, subtle, and constantly evolving, Panopticlick does not measure all forms of tracking and protection.

Your browser fingerprint **appears to be unique** among the 230,281 tested in the past 45 days.

Currently, we estimate that your browser has a fingerprint that conveys **at least 17.81 bits of identifying information**.
